# Wagonhammer Ranches

*Established 1910*

*Total Performance*

## Production Sale
## Wednesday, March 21, 2018
## O'Neill, NE

# General Information

**Sale Headquarters:** Shamrock Livestock Market, O'Neill, NE. Phone: (402) 336-1675. Sale barn is located south on 10th street (east end of O'Neill) and east on Sale Barn Road. GPS Address: 49313 Sale Barn Rd, O'Neill, NE 68763

**Sale Day Phones:** Shamrock Livestock Market (402) 336-1675. If that is busy, call cell phone: Joe Epperly (303) 884-3900, Jay Wolf (402) 920-2853, Arlyn Wilke (402) 741-0848.

**Accommodations:** East O'Neill on Highway 20: Super 8 Motel (402) 336-3100, Holiday Inn Express (402) 336-4500.

**Terms & Conditions:** Standard Terms and Conditions as adopted by the American Angus Association.

**Pre-Sale Party:** You are invited for drinks and Wagonhammer Beef, Tuesday, March 20, 2018 beginning at 5:00 P.M. at the Shamrock Livestock Market, O'Neill, NE. All of us will be there to answer any questions you may have about our cattle program.

**Ultrasound & Scrotal Measurements:** Available sale day and on the web site: www.wagonhammer.com.

**Fertility:** All bulls selling have passed a semen test. Town & Country Vet Clinic at Albion fertility tested and scrotal measured the bulls. Feel free to contact Dr. Jeremy Young or Dr. Cody Gulbrandson with any questions at (800) 657-2119.

**Breeding Guarantee** Bulls selling for more than $3000 are guaranteed for 90 days from first turnout against breeding injury. If a replacement bull is available he will be provided. If a replacement bull is not available, credit will be given in next year's Wagonhammer Sale. Credit will be the purchase price less volume discounts and salvage value of the injured bull to be used for the purchase of one replacement bull. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be prior to Oct. 1, 2018. This is not a mortality insurance policy. Mortality insurance will be available sale day through American Live Stock Insurance. Sale day contact Randy Rasby or call Jim Geis (970) 590- 0500. Any deviations from the above statement will be worked out between the buyer and Wagonhammer Ranch.

**Retained Semen Interest** Sellers retain 1/3 semen interest on all bulls selling. Buyers receive full possession and all salvage value.

## Bull Buyer's Volume Discount:

**On 5 or more bulls - 5%**
**On 10 or more bulls - 10%**

Sale Day Lunch: **Complimentary Lunch Served**

**Sponsored by Zoetis Animal Health**

Please bring this catalog with you to the sale.

# WAGONHAMMER RANCHES

Established 1910

Dear Cattlemen,

Welcome to our 43rd Annual *Total Performance* Sale. We are very excited by this year's offering. We like the uniformity in this set of bulls. That is a tribute to their dams. These bulls are backed by a terrific set of cows. The bulls are selected for performance, while maintaining calving ease, structural correctness, moderate frame, fleshing ability and positive carcass traits. If you study the reference sires you'll find genetics from the breed's most proven sires. These bulls balance traits that commercial cowmen need. *Total Performance* is not our slogan, it's our program. Put Wagonhammer's 100+ years to work in your program.

Wagonhammer is pleased to introduce Joe Epperly as our new Seedstock Manger. Joe joined us last September and he brings a lot of experience combined with a fresh perspective. Joe looks forward to meeting each of you as soon as possible. Please let him know if there is anything he can do for you.

CALVING EASE continues to be our hallmark and we are offering 96 bulls designated *Calving Ease* with an average Birth Wt EPD of -0.6 and birth wt of 76 pounds. Furthermore, these bulls are bred for calving ease on the dam side for several generations which is the key to consistency. Yet they have growth, muscle, and power. Wagonhammer is the place to buy, whether you need bulls to breed heifers, or want power bulls for your cows that still reduce labor at calving time.

**Ultrasound data** and scrotal measurements will be posted on our web site as soon as they are available and we'll provide data sheets at the sale. We would like to remind you that our website: **www.wagonhammer.com** includes color photos of the offering and additional information. We update the site periodically, so be sure to check it out.

The sale will be broadcast over the internet at www.**DVAuction.com**. Buyers that can't make it to O'Neill can participate via their computer. If you have registered with DV Auction in the past, you are good to go. If this is your first time, you must register with DVAuction more than 24 hours in advance. Please refer to the information in the catalog for more details

Please join us on Tuesday, March 20th, for our **Presale Party**. The cattle will be on display and we look forward to visiting with you over a beef sandwich. We hope to see you sale day, March 21st. We will be serving a complimentary lunch, sponsored by Zoetis, our partner in animal health.

Sincerely,

Jay Wolf
Owner

Joe Epperly
Seedstock Manger

WAGONHAMMER RANCHES

## Internet Broadcast:

This sale will be broadcast live on the internet.

DVAuction
Broadcasting Real-Time Auctions
Real time bidding & proxy bidding available.

The auction can be viewed on DVAuction. Visit www.DVAuction.com to register. You can bid real time with live audio/video. DVAuction also offers proxy bidding. For questions, call (402) 316-5460 or (402) 474-5557. You will need high speed internet and need to register more than 24 hours in advance.

WAR Objective U182 3J15 4035

Top seller in the 2016 Sale to Mill Bar Angus, Hayes Center, NEand this first set of calves have just blown the doors off! We think he's the bull the industry needs with his combination of calving ease, growth, power, structural integrity and phenotype. He just keeps living up to his name. Every bull calf born not only made the sale,but they made the first sort phenotypicallycombined with a 108 and 104 group weaning and yearling ratios. His dam has an impressive production with 6 calves at 104, the 2017 sale topper and she is as striking as any female on the ranch. She's moving to the donor pen this spring. He was used heavily this fall and will be again this spring.

*Lot 1*

Fortress wraps pedigree, performance and phenotype into a proven package that is easy to use in many applications. He adds depth of body and doability in a sound-structured, high-performance package uniquely pairing of $W and $B with birth to yearling spread like no other. Sons of his full sister topped the Knoll Crest Farm sale this fall, including the new herd sire at Wagonhammer, K C F Bennett Stockade .

HF Patriot comes from the great herd, Hamilton Farms, in Canada. Patriot combines ideal phenotype with great thickness and structural correctness. Patriot had many friends in Denver and he was a member of the Reserve Champion Early Pen of Three Bulls. He's an impressive individual as a mature bull and breeds true with his offspring possessing his mass and power.

Genetics

At **Wagonhammer** we believe good genetics do not **COST**, they **PAY**. Purchasing good genetics is not an expense, rather it is an **INVESTMENT**. The most expensive thing you can ever do in the cattle business is to purchase inferior genetics.

**Dam: Woodhill Evergreen U181-A130**

Woodhill Evergreen R53-U181

After seeing the quality of the Commando cattle, we knew we needed an EF Complement son and we found this great spread bull at Woodhill Angus in WI. He's out of the famous Woodhill Evergreen cow family and his dam produced him as a first calf heifer. He had the IMF scan in his group and phenotypically possesses a rocket front end with a great hip and loads of center body.

Baldridge Titan A139 was the top selling $100,000 bull of the 2015 Baldridge Bull Sale. He has only impressed since then! His first set of calves are coming to yearling age and they are impressive on paper and to walk up on. Moderate, very thick, wide based, big big topped and docile. He is a real complete package including calving-ease and a pedigree that can be used back on most all females for calving-ease genetic diversity.

Black Granite is a 6 frame curve bender whose calves are born easily, are jet black, and have mellow dispositions. He was an $80,000 feature at Connealy's 2012 Spring Bull Sale. His sons have that extra shape to their quarters that is rarely found in a calving ease sire.

Identity was the $59,000.00 top-selling bull of the 2011 Koupal Angus bull sale. He is a sensibly sized Upward son with as much muscle and stoutness of bone as you will find. He uniquely combines his power and performance with a high degree of smoothness, eye-appeal, and correctness of structure. Identity's mother is widely regarded as one of the top donor dams in the Koupal Angus herd. She is feminine, perfect uddered, moderate framed, and easy-fleshing. She has earned weaning ratios of 4@107 and yearling ratios of 3@108.

Connealy Confidence 0100
**Sire: Connealy Confidence Plus**
Elbanna of Conanga 1209
Hoover Headliner J32
**Dam: Rubista of Conanga 2304**
Rubeen of Conanga 9944

One of the most exciting outcross options in the ST Genetics lineup. Rampart excelled every time he was measured in his contemporary group of over 500 at birth and weaning and over 400 at yearling and ultrasound. His Headliner x Total dam is well on her way to Pathfinder status and produced another high selling bull in the 2017 Connealy sale.

SAV Sensation was the high-selling lot of the 2016 Schaff Angus Valley Sale for a total valuation of $950,000. He is a full brother to the $235,000 SAV Seedstock. His mother, SAV Blackcap May 4136, is the No.1 income producing cow in SAV history. She has generated over $4,000,000 in progeny sales to date. These are some of the first calves out of this sire and they carry the same performance and eye-appeal that made their sire a sensation.

# WHY WE TEST WITH i50K FROM ZOETIS

i50K™

Powered by i50K™ from Zoetis, our cattle sell with genomic-enhanced expected progeny differences (GE-EPDs).

With GE-EPDs, we're confident that customers like you can minimize risk in their investment — and enhance the productivity of your cattle.

The benefits of buying i50K-tested bulls and heifers goes beyond added accuracy for the complete range of traits for more productive daughters and progeny. You'll know early on what that animal is likely to transmit to its offspring and potential for performance in the feedlot and on the rail. You can also match the i50K tested sires you buy from us to match calves and replacement heifers — through GeneMax® Advantage™ and GeneMax® Focus™— to make better breeding and management decisions down the road.

Knowing an animal's potential. Continuous progress of your herd. That's why we test with i50K.

**Number of progeny records in conventional genetic evaluation needed to achieve the same accuracy as GE-EPDs powered by i50K**

| Trait | Progeny Equivalents |
|---|---|
| Heifer Pregnancy (HP) | 14 |
| Calving Ease Direct (CED) | 28 |
| Birth Weight (BW) | 21 |
| Milk | 33 |
| Docility (Doc) | 10 |
| Scrotal Circumference (SC) | 13 |
| Weaning Weight (WW) | 26 |
| Yearling Weight (YW) | 21 |
| Dry Matter Intake (DMI) | 8 |
| Yearling Height (YH) | 8 |
| Mature Weight (MW) | 11 |
| Carcass Weight (CW) | 9 |
| Marbling (Marb) | 9 |
| Ribeye Area (RE) | 12 |
| Fat Thickness (Fat) | 10 |
