

THE COMPLETE DISPERSION OF

WAGONHAMMER *Ranches*

REGISTERED CHAROLAIS PROGRAM

Everything Sells!

WAGONHAMMER *Ranches*

DEAR FELLOW CATTLE PRODUCERS,

The Total Performance Brand is announcing the complete and total dispersal of the registered Charolais herd. That is right, a herd that has been intact and improved upon since the 1960's is selling in its entirety! Nothing is being held back. The Wagonhammer brand has been a longtime performance Charolais breeder. Ever since pioneer breeder Jim Wolf started breeding Charolais cattle along with registered Angus cattle, we have been devoted to producing cattle that work in all aspects of the industry.

Looking through the herd you will find cows that are functional, sound, and easy-fleshing, with amazing udders and maternal ability. Combine this with depth of body, true muscle, eye-appealing phenotype, and breed-leading calving ease and you have cattle that are set up to function in multiple parts of the industry. As you observe the calves at the side of these matrons, you notice deep, easy-fleshing, sound heifer calves and long bodied, stout, huge topped, huge hipped bull calves with true muscle. An opportunity like this does not come along very often.

Over the years, the Wagonhammer brand has raised many well-known studs in the Charolais breed including Wrangler, Foreman, Travel Agent, Bartlett, Top Hand, High Tech, Swager, Relevant, and Relief. The NG Maverick 2184J sire highlights the herd bulls selling. He is a long-bodied, muscular sire who is soft in his lines and structurally sound. He has a dominating herd bull presence and is a must-see for visitors at the ranch. He is passing this same look onto his progeny. On top of that, he possesses a tremendous numerical package with breed-leading birth to yearling spread and teat and udder figures. His influence will also sell, along with calves sired by Kingsman, Relief, and Riptide and others. Miss Long Shot Z626 herself, along with the influence of several prominent donors will be offered, and they could be future donors in your program.

We are offering 50 spring calving cows and their spring 2024 calves, 10 spring 2024 ET calves, 28 spring bred heifers, 17 fall calving cow pairs, 7 fall calving 2-year-old pairs, 8 fall 2023 born yearling bulls and females, and 5 herd sires. We are selling private treaty and would like to keep the whole herd intact. The entire semen and embryo inventory is also for sale. These cattle will be a great addition or start to any progressive seedstock operation looking to add the very best of another herd to their own.

The Wagonhammer brand will not be going anywhere. We will continue our commitment to producing Total Performance cattle in the Angus and Simmental breeds, along with our commercial cattle, feeding, and farming operations. We want to thank our crew for all they do to keep the ball rolling. Please feel free to contact us with any questions about the cattle and to schedule a time to come look at the cattle in the majestic sandhills of Nebraska. Jay Stowater's number is (515) 320-3167. We look forward to meeting and visiting with you.

Sincerely - Jay Stowater, Jay Wolf and Alex Wolf
